**Statement on Archival Language:**

The David Allan Hubbard Library aims to describe archival materials in a way that is respectful to all communities who use, create, and are represented in our collections. However, the nature of historical materials is such that some material may represent positions, language, values, and

stereotypes that are not consistent with the current values and practices at Fuller Theological Seminary.

Within our finding aids, it is possible users may encounter language that is offensive or harmful. While some language included in finding aids was written by staff, other language originates from the people and organizations that created the material. For example, folder titles are often preserved from the creators. It is standard practice not to change them and, in some cases, it provides important context about the materials. When we find problematic language created by archivists and staff we strive to update it. When we find problematic language from the original creator we will transcribe as is to preserve the context of its creation.

## **Administrative History**

The Monastery of the Risen Christ was a Benedictine Monastery that started as a “mission” from Our Lady of Guadalupe Monastery, Pecos, New Mexico in 1987 by Fr. Ray Roh OSB. The communities participated in the Catholic Charismatic renewal. The Monastery was located on a 40 acre ranch just outside San Luis Obispo.

In 1992, the Monastery became an independent, canonical entity, and Abbot David Geraets, OSB (d. 2012) became Superior. Membership and lack of resources declined the activities of the Monastery. By March 2013, the Olivetan Congregation decided to close Monastery. The Monastery transferred to the Camaldoli Congregation in Big Sur, CA in 2014.

Members included Abbot David Geraets, Father Ray, Fr. Stephen Odenbrett, Fr. Albert Meyer, Fr. Ray Greco (retired), Brother Alfonso Daniel OSB, Junior Monk, Connie Mayrhofer and Br. Michael Rodgers, Junior Monk.

## **Scope and Content**
