Statement on Archival Language:

The David Allan Hubbard Library aims to describe archival materials in a way that is respectful to all communities who use, create, and are represented in our collections. However, the nature of historical materials is such that some material may represent positions, language, values, and stereotypes that are not consistent with the current values and practices at Fuller Theological Seminary.

Within our finding aids, it is possible users may encounter language that is offensive or harmful. While some language included in finding aids was written by staff, other language originates from the people and organizations that created the material. For example, folder titles are often preserved from the creators. It is standard practice not to change them and, in some cases, it provides important context about the materials. When we find problematic language created by archivists and staff we strive to update it. When we find problematic language from the original creator we will transcribe as is to preserve the context of its creation.

Biographical History

Manuel Juvera Vizcarra (b. June 19, 1924 – d. April 7, 2003) was the eighth Bishop President of the Apostolic Assembly of the Faith in Christ Jesus (1986-1994), the oldest Spanish-speaking Oneness Pentecostal congregation in the country. Born in Chihuahua, Mexico, the family immigrated to the United States shortly after his birth. In 1945, Vizcarra was baptized at the First Church of San Jose, California. He married Martha Arajuo on December 6, 1953. He studied at the Iglesia Apostolica's Instituto Teologico Apostolico Internacional and Fuller Theological Seminary (1981-1986 in the Master of Theology - Hispanic Church Studies program).

Vizcarra was elected Bishop Supervisor of the AAFCJ Northern California District in 1967. He was elected Secretary of Christian Education, General Secretary, and Bishop Vice President, in turn. Vizcarra was elected Bishop President of the AAFCJ in 1986. According to the Apostolic Assembly of the Faith in Christ Jesus community:

“The Vizcarra presidency saw the purchase of our current Headquarters, the Plan of Action, the strengthening of the Assembly's finances, and the establishment of the A.C. Nava Foundation. He was the first Bishop President of the Apostolic Assembly in Mexico and would return to be Pastor in the church he was baptized until April 7, 2003 when he was called into the Lord's presence” (asambleaapostolica.org, accessed February 11, 2022).

Vizcarra pastored twelve congregations during his life. His final pastorate was the First Apostolic Church of San Jose, California (1997-2003). Vizcarra supported education, economic prosperity, and moral living for his fellow Hispanic community members. His activism directly impacted the community in Mayfair II, San Jose. Vizcarra also composed the hymn “No Sueltes las Manceras.”

Cataloger's Note

The finding aid uses English vocabulary to provide general descriptions. An effort has been made to use English or Spanish language file folder titles according to the language used within the contents. Diacritics have been minimally used pending editorial review.

A musty smell and wear on a number of records indicate water damage. The sporadically affected records and the undamaged boxes suggest the water exposure occurred prior to donation or prior to storage in archival boxes. Caution when reviewing materials is encouraged.
