Lackawanna / Morris and Essex

"Welcome to the Orange [verso] Handwritten caption reads, "It was a cold January day in 1838. Yet the people of Morristown, N.J. gave warm welcome to the first locomotive ever on the Morris & Essex Railroad. They met the woodburner 'Orange,' its builder at the throttle, with cheers, bonfires, cannon, and church bells. Thus began the 'Lackawanna'" Reproduction of an illustration of yellow and red Lackawanna streamliner locomotive #601 passing below an image of a painting depicting the arrival of an early steam locomotive, a sign above the engine reads "Welcome to the Orange" [Illustrations]
