Sonoma County Women’s Oral History Collection

Record Group 1: Interview Transcripts

Note: Unless specified otherwise, all folders contain a CD of the original interview along with the printed transcript. Some interviews were longer than others, necessitating multiple CDs. These are filed separately, next to the transcript, and noted in the inventory. Item level inventory for Record Group 1 is available please see Special Collections for list. In addition, all interviews are available on streaming media and can be listened to by appointment.

Box 1, by folder number
