Special Collections & Archives**

Scope and Content:

Records of the Athletics Club contains documents collected and created by the Cal Poly Athletics department. Records include statistics reports; promotional programs, media guides, and press releases; team rosters and player files; newspaper clippings; and materials related to the 1960 plane crash involving the Cal Poly football team. Both male and female sports teams are represented including football, baseball, basketball, soccer, golf, gymnastics, swimming, track and field, wrestling, and sailing as well as the Association for Intercollegiate Athletics for Women and the NCAA. Administrative and budgetary records, records related to the stadium construction, and correspondence of the dean of the department are included.

Arrangement:

The collection is arranged as it was received. Original organization of the records has been preserved where possible. Materials may have been reorganized or rehoused for preservation and access purposes.

Access:

Collection is open to researchers by appointment only. For more information on visiting, access policies, and reproduction requests, please visit our [Reference Services](http://lib.calpoly.edu/search-and-find/collections-and-archives/reference-services/) page online at <http://lib.calpoly.edu/search-and-find/collections-and-archives/reference-services/>. Items may be restricted in compliance with FERPA regulations.

Restrictions on Use and Reproduction:

Digital Copies are provided to researchers for the purpose of study, research, and personal use only, unless otherwise specified in writing. Materials that are the property of Cal Poly Special Collections and Archives require written permission prior to publication. No complete collection may be reproduced.

For print and online publication, please visit our [Reproduction Services](http://lib.calpoly.edu/support/sca-policies/reproduction/) page online at <http://lib.calpoly.edu/support/sca-policies/reproduction/>. Special Collections and Archives reserves the right to review all reproduction requests and to withhold permission if scanning would endanger the material, would violate copyright law, or would violate institutional restrictions.
